## **June 2009**

Chicago Hearing Society (CHS), a division of the Lester & Rosalie Anixter Center, is proud to be the first agency in the Chicago area to both employ and provide the assistance of a Certified Deaf Interpreter (CDI) to the Deaf community. This service is available through the Interpreter Services Department at CHS.

The CDI on staff in this new role is June Prusak who has been with CHS for twelve years. Continuing in her position as the Youth Program Manager, June will begin to allocate more of her time as a staff interpreter.

As a freelance CDI for over five years, Ms. Prusak holds an Illinois Master (silver) level license and a CLIP-R certification. June has a variety of interpreting experiences and can interpret in any situation requiring a CDI, including legal settings.

The ability to provide deaf and hearing interpreters, along with the additional services offered at CHS and Anixter Center, helps advance the CHS' goal of empowering deaf, hard of hearing and hearing people to communicate with each other. The use of a Certified Deaf Interpreter when required enhances communication between all deaf, hard of hearing and hearing parties.

Please contact the Interpreter Services Department of Chicago Hearing Society at [chsinterp@anixter.org](mailto:chsinterp@anixter.org), 773/248-9121 x311 or TTY 773/248.9174 for more information on how this service may be a benefit to you or your organization.
